PASE GROUP, INC. DELIVERS NEW NET-WEIGHT ADHESIVE FILLING MACHINE.

The automatic 4-head, A-B filler design accommodates practically any open top container up to 5 gallons. Continuous product flow alternates between filling on one lane while new containers index into the other lane. Twin high-speed crimpers are used ensure production speed requirements are met. Optional class 1, division 1 explosion proof controls were also provided.

PASE Group, Inc also incorporated an easy to use graphical display.

The display provides operators with real-time line status so production needs can be diagnosed quickly with minimal downtime. For more details, please call us at 952-746-1091, e-mail us at sales@pasegroup.com, or visit our web site at www.pasegroup.com.

PASE GROUP, INC. UNVEILS NEW UPDATED WEB SITE.

PASE Group, Inc recently updated it's web site with a new look, updated product information, and expert advice you've come to expect from the industry leader in net-weight, liquid filling technology. See for yourself. Log on to www.pasegroup.com and check out our entire line of net weigh fillers, lidding and material handling equipment.

SOMETHING OLD, SOMETHING NEW.

Does your filling line need a facelift? Sometimes liquids can be hard on your container handling equipment, but your filler is still in good shape. Sound familiar? PASE Group, Inc can re-fit your production lines with new conveyors, product handling equipment, etc. New components made with the proper materials will last for the life of your liquid filling machine? For more details, please call us at 952-746-1091, e-mail us at sales@pasegroup.com, or visit our web site at www.pasegroup.com.

PASE GROUP, INC. INTRODUCES NEW MIXING HEAD FOR PORTABLES.

Use net-weight filling technology to produce consistent portable batches. Each of the 15 filling heads is capable of delivering the same precision as a small net weight filler.

In addition, this design can be customized to accommodate more heads if needed. For more details, please call us at 952-746-1091, e-mail us at sales@pasegroup.com, or visit our web site at www.pasegroup.com.
